

# SESSION **HOT SHEET**

Highlights from Session meeting Nov.28, 2011

## **Contemporary Worship Service:**

Evening Services are planned to start in January. This option was indicated as "of interest" by over 70 people in the congregation when we were polled about such a plan. We begin a contemporary service at 5:00 PM on January 1. Make it your New Year's resolution to join us.

## **2012 Budget**

As the budget is being finalized for the NEW Fiscal Year beginning January 1, the Operations Committee reminds those who have not pledged to prayerfully consider making an indication of what you are planning to contribute. This process continues to be very tight and every commitment is very beneficial to the process and planning of the next year.

## **Pastor Nominating Committee (PNC):**

The Pastor Nominating Committee (PNC) reports that the Church Information Form (CIF) is being finalized and will be reviewed in December, with approval from Committee on Ministry in January. This is the posting that will be done on a nationwide basis seeking interest in our permanent pastor's position.

Dec. Elders of the Month: John Hicks & Terri Muse
